EASA FORM 1 - ISSUE OF RESPONSIBILITIES
US/R/N/A/ILE/GE

Note: This certificate does not automatically constitute authority to install the item(s).
The user/installer performs work in accordance with regulations of an airworthiness authority different from the airworthiness authority specified in block 1, it is essential that the user/installer ensures that the work is performed in accordance with the regulations of the airworthiness authority specified in block 1.
Statements in blocks 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.
