**USER / INSTALLER RESPONSIBILITIES**

This certificate does not constitute authority to install the item(s).  
Where the user/installer performs work in accordance with regulations of an Airworthiness Authority different than the Airworthiness Authority specified in block 1, it is essential that the user/installer ensure that his/her Airworthiness Authority accepts items from the Airworthiness Authority specified in Block 1.  
Statements in blocks 1c and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation certification issued in accordance with the applicable regulations by the user/installer before the aircraft may be flown.
